Conference with Navy Representative on Coordination  
of Captured German Documents.

At the suggestion of the Director of Central Intelligence, Office of Operations has arranged an informal conference with Mr. Peter Engelmann of Op-29-D, Navy Department, to consider the possible coordination by CIG of the use of captured German documents and other German sources for obtaining intelligence information on the USSR. Mr. Engelmann has been closely associated with Navy activities in this field and has recently finished a report "Espionage-Sabotage - Conspiracy - German and Russian Operations 1940-1945".

It is requested that you or a representative of your Branch attend this meeting, which has been scheduled for Tuesday 17 June at 2:30 p.m. in Room 203, 2210 E Street N.W.

Note: This meeting was arranged with Mr. Engelmann by telephone on 10 June 1947. Owing to his interest in meeting [redacted] personally, 17 June was chosen as a more convenient date for all concerned.
